

KING & GLORY

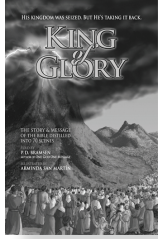

THE STORY & MESSAGE
OF THE BIBLE DISTILLED
INTO 70 SCENES

FOR A WORLDWIDE
AUDIENCE OF ALL AGES

KING OF GLORY, published by ROCK INTERNATIONAL and distributed by INDEPENDENT PUBLISHERS GROUP/SMALL PRESS UNITED, is now available from major booksellers such as Amazon.com, Barnes & Noble Online, GoodSeed International, etc.

WHAT IS IT?

History's original story of romance and rescue, as recorded in the Bible, is broken down into 70 scenes with simple but not superficial text alongside bright and bold paintings. This big-picture, chronological narrative about the King of the universe and His plan to rescue His rebellious subjects provides a mind-bending and heart-warming experience for readers of all ages. With its large format, full-page illustrations, scene review questions, endnotes, and high tech PUR glue binding (spine bends all the way back without breaking), this is also a distinctive tool for sharing the King's message in homes, classrooms, and small group settings.

Arminda San Martín's paintings are not only beautiful, but biblically accurate (no giraffe sticks its neck out of a cute Noah's ark, no wisemen visit the stable, at the transfiguration the Lord's face doesn't just glow—it shines like the sun, etc.). The face of Jesus is never clearly shown. Room is left for the imagination.

To relate to a generation that would rather watch a movie than read a book, KING OF GLORY has no Table of Contents, Preface, Chapters, or Appendix. Instead it has Scene Selections, Behind the Scenes, Scenes, and Bonus Features. ROCK INTERNATIONAL has begun production of KING OF GLORY as a Ken-Burns-effect movie in many languages, starting with English, Arabic, Turkish, French, and Spanish. Look for this in 2013.

WHO IS IT FOR?

This is for people of every age, culture, and worldview. The Story is plain yet profound. In writing KING OF GLORY, I took a cue from Walt Disney who said his mission in creating movies and theme parks was *"to captivate our varied and worldwide audience of all ages."* Disney also said, *"I didn't treat my youngsters like frail flowers, and I think no parent should. Children are people, and they should have to learn Too many people don't remember what it's like to be twelve years old. They patronize; they treat children as inferiors. I won't do that. I'll temper a story, yes. But I won't play down, and I won't patronize."*

KING OF GLORY does not play down the best story ever told, nor does it speak down to youth. Just as Disney/Pixar movies have elements that younger kids will not grasp, so there are concepts in KING OF GLORY that may go over the head of a 5 or even a 10-year old. That's as it should be. This is a tool to help young and old alike grow up into a clear understanding of the King's story and plan.

Whether read by parents to their children at bedtime, or by teens who want something more than the latest video game, or by elderly shut-ins who are still looking for answers to life's big questions, this true story will find a home in minds and hearts around the world.

That *our varied and worldwide audience of all ages* might meet the King,

Paul D. Brammer

KING OF GLORY – TOUCHING KIDS FROM 2 TO 86 – TESTIMONIES FROM READERS ...

- *“I was reading King of Glory to my niece and nephew a couple weeks ago for their bedtime story and they were totally captivated by it! They’re only 4 and 2!!”*
—Heather H., California
- *“Wow! You have made our day! King of Glory is beautiful and really well written! As soon as we opened it, we were wowed, then we immediately went to the living room to read it together. We got through the first six scenes today (with our son, 6; and our daughter, almost 4) and can’t wait to keep going tomorrow. I love the pace of the book. I can see it being really good for most kids from 3 up to... well, adulthood! It’s great for our kids (not too slow, not too fast). And, even though they are familiar with everything we read today, they were still captivated.”*
—Joe T., Texas
- *“We love it. It is SO well done. We are reading through it as a family and cannot stand to read only one page a night so we usually read about 7 or 8 scenes. Our 12-year old son took it up to his room 2 days ago and this afternoon he told me he just could not put it down. He is ¾ of the way through it and he is a little bit picky about what he likes to read. He just told us, ‘Dad and Mom, this is the most awesome way I have ever heard the Bible being taught.’ We have been enjoying pouring over it. There is so much to grasp.”*
—Holly W., missionary mother of four (ages 6 to 15), South Pacific
- [Another 12-year old boy wrote the following email to his grandfather:] *“Thank you so much for the book. I read it on the way home [a 3-hour trip] and loved it! I like the point Mr. P. D. Bramsen made about the first perfect man leading us into Satan’s kingdom and the second perfect man leading us out....”*
—Christian D., 7th grader, Georgia
- *“The stories flow together and everything forms a wonderful, cohesive whole.”*
—SaraGrace H., California
- *“The pictures are terrific. Both the text and pictures make you want to curl up by the fire and listen to the story.”*
—Rachel K., New England
- *“I didn’t feel preached to at all. It isn’t preachy.”*
—M. H., writer/professor, California
- *“The combination of concisely written scenes along with great artwork will draw in readers of all ages.”*
—Ken W., international mission representative
- *“It is a marvelous message, told in a clear, concise and captivating manner. Easy to read and pleasing to the eye!”*
—Ivy P., French translator, Quebec
- *“What a treasure! We are enthralled with the beauty and simplicity of the message in each episode!”*
—Terry & Patricia L., Cup of Cold Water, Washington
- *“A preliminary look blew me away. What a fantastic production! All of the hard work has paid off.”*
—Tom T., magazine publisher/editor, New Jersey
- *“This isn’t just for kids. It’s for adults too. My wife is 85 and I am 86 and we love it!”*
—Chuck F., Florida

PRODUCT DETAILS

- **TITLE:** KING of GLORY
- **AUTHOR:** P. D. Bramsen / **ILLUSTRATOR:** Arminda San Martin
- **PUBLISHER:** ROCK International / **ISBN:** 9780979870675
- **DISTRIBUTOR:** Independent Publishers Group/Small Press United
- **176 pages.** 70 full-page color paintings / Matte lamination, embossed cover. PUR glue binding (new technology that withstands temps up to 200 degrees F, and allows book to be bent all the way around without breaking).
